

Information Regarding the Diploma in Theology from The Timothy Partnership

Preamble

Equip Gospel Ministries and The Timothy Partnership have partnered together in order to offer an Online Diploma of Theology fully accredited by the Australian College of Theology.

About Equip Gospel Ministries

Equip Gospel Ministries (Equip) has the twin aims of increasing biblical literacy throughout the churches in Malaysia, and recruiting and training gospel workers to faithfully minister the gospel in Malaysian churches. Equip was set up in 2010 by five Christians in Malaysia, most of whom now serve on its Board. Since its inception, it has partnered with Moore Theological College (MTC) to make their Distance Education Courses available in Malaysia at a reasonable price for Malaysians. It is also agent for the Christian Counselling Education Foundation (CCEF) making its courses available in Malaysia and with Malaysia Bible Seminary to offer quality theological education from Certificate in Theology to Master in Divinity. Equip partners with the Klang Valley Bible Conference (KVBC) Trust to organise the annual Klang Valley Pastors' Seminar (KVPS). Equip is registered as a company in Malaysia under the name of Euangelion Training and Services Sdn. Bhd. While Equip provides various courses, it does not seek to profit from them.

The Mission of Equip is:

To prepare Christians for works of gospel-centred ministry, in partnership with local churches, through Biblical, theological and ministry skills training.

About the Timothy Partnership

Their dream is to see every Christian everywhere in some form of ministry, confident and equipped in bringing others closer to Jesus.
