About the Speakers

Rev. Paul Harrington is the Rector (Senior Pastor) of Holy Trinity, Adelaide, a large and dynamic Evangelical Anglican church. Holy Trinity has many congregations and is planting multiple new churches around the city. Paul is appreciated as a conference speaker and an evangelical leader in Australia. He is married to Sue, and they have three children.

Rev. David Cook is the former Principal of the Sydney Missionary and Bible College (SMBC). He is also a Presbyterian minister. David speaks at Christian conventions throughout Australia as well as internationally. He is married to Maxine, and they have five children and seven grandchildren.

About the Organisers

The Kuala Lumpur Christian Conferences (KLCC) is best known for organising the annual Klang Valley Bible Conference (KVBC) and the associated Expository Preaching Seminars (EPS). The ministry has now expanded to Ipoh (Ipoh Bible Conference and Expository Preaching Seminars) and Penang (Penang Bible Conference and Expository Preaching Seminars).

The Kuala Lumpur Christian Conference (KLCC) was formed in 1997 with a single purpose: to encourage godliness through expository Bible teaching.

In 1999, KLCC together with Evangel Book Centre, organised the first Klang Valley Bible Conference (KVBC). This conference has since become an annual event with preachers such as Don Carson, David Cook, David Jackman, Bryan Chappel, Mike Raiter and John Woodhouse expounding God's Word. Expository Preaching Seminars (EPS), aimed at pastors, preachers and teachers, have been organised in conjunction with KVBC since 2001. Each year, EPS seeks to encourage and strengthen Christian leaders in an aspect of expository preaching.

In 2009, we held our first Expository Preaching Seminars in Ipoh and Penang. In 2010, the Penang Bible Conference was launched and in 2011, the first Ipoh Bible Conference was launched.

The mission of Equip is to prepare Christians for works of Gospel-centred ministry, in partnership with local churches, through Biblical, theological and ministry skills training.

Theological Training

Equip is the agent in West Malaysia for the External Studies Department of Moore Theological College in Sydney. The Certificate in Theology, offered by Moore Theological College, is a well-established distance learning course used throughout the world. It is renowned for its ability to help students engage with the Bible, theology and Church History. The course is designed to be flexible, allowing students to study individually or in a group and at their own pace, sitting for an exam at the end of the term which is credited towards their certificate. Equip recommends study in groups and provides groups and teachers/facilitators to help you get the most out of the course.

Who Can Do The Course?

Anyone who wishes to study and understand God's word better.

Introducing the Course in your church

To introduce the Certificate in Theology course in your church, please contact us (info@equip.org.my) for more details. We can also run a presentation together with a Q/A session for your pastor, board, church council or congregation upon request.

Modules on Offer

Term 3 (September 2012 to November 2012) modules are now open for registration.

Bible Overview is the first module in the Certificate in Theology course. It provides an overview of the entire Bible, plus helpful hints on how to understand its main themes. It helps students to see how the whole Bible fits together and points to Jesus. **This module should be completed first before taking any other modules.**

We run 10 classes for Bible Overview on Tuesday evenings (8pm to 10pm), starting from 4 September 2012 in Kuala Lumpur, and on Wednesday evenings (8.30pm to 10.30pm), starting from 3 September 2012 in Ipoh.

To register, visit our website: www.equip.org.my. Registration closes on 30 August 2012.

Ministry Skills Training

Equip and the Christian Counselling Education Foundation (CCEF) are planning and praying towards partnership to provide Biblical Counseling training to Malaysian Christians. More details to come.

Bible Conferences 2012

A KLCC Conference

God's Priorities for Today and Tomorrow

At the end of the Old Testament period, Zechariah is given prophetic insight into God's plans and purposes for and through His people. Beginning with the urgent command to rebuild the temple, Zechariah's visions extend on to the coming of the Christ, the spread of the gospel throughout the world and on to the end times and the culmination of God's salvation plan in the new heavens and the new earth. This is a book with much to encourage and challenge believing people today as we seek to live by God's priorities in the light of our certain future.
